

## **“Connecting Management to Aquatic Communities”**

November 26 - 30, 2007. The Virginia Water Resources Research Center and West Virginia Water Research Institute invite you to attend the 2007 Virginia / West Virginia Water Research Symposium in Blacksburg, VA. As part of the symposium, you can participate in workshops:

*Introduction to Fluvial Geomorphology*

*An Overview of the TMDL Process*

*Mixing Zone Analyses for TMDLs*

*Building Consensus for Revitalization of River, Land and Community*

*Tools for Watershed Modeling and Assessment*

Please visit [www.vwrnc.vt.edu/symposium2007](http://www.vwrnc.vt.edu/symposium2007) for more information, including how to register for the workshops.

Direct questions to: Jane Walker, Virginia Water Resources Research Center, 210 Cheatham Hall, Blacksburg, VA 24061, Phone: 540-231-4159, [janewalk@vt.edu](mailto:janewalk@vt.edu).
